PROJECTS

Personal Portfolio. I created a personal portfolio website to highlight my professional achievements, skills, and projects. Utilizing HTML, CSS, and JavaScript, I designed a sleek, modern interface that effectively communicates my background and expertise. The website includes sections such as an "About Me" page, a projects gallery, and a contact form. This project allowed me to demonstrate my proficiency in web development and my ability to present information in an engaging and organized manner.

Animated Website. I designed an animated website that incorporates various CSS animations and JavaScript effects to provide a dynamic user experience. The project involved creating animated elements such as transitions, hover effects, and interactive components that engage visitors. Through this project, I developed a deeper understanding of animation principles in web development and enhanced my skills in using advanced CSS and JavaScript techniques to create interactive and visually captivating websites.

EXTRA-CURRICULAR ACTIVITIES

- I actively engage in video editing and photography, enhancing my creativity and technical skills.

Additionally, I volunteer in community projects like NSS (national service scheme). These activities complement my technical expertise, fostering a well-rounded personal and professional development.

DECLARATION

- I hereby declare that the information provided in this resume is true to the best of my knowledge and belief.
